

# 80 CHARLOTTE STREET.

FITZROVIA W1

Multiplex welcomes you to our latest issue of 80 Charlotte Street's construction phase bulletin newsletter.

### PROJECT OVERVIEW

At 80 Charlotte Street, Derwent London is creating a new and vibrant urban scheme, which comprises offices, retail and some residential. This is expected to be completed in Q4 2019.

### COMMUNITY SUPPORT

In June, the site organised a Maths challenge with Carlton Primary School in Kentish Town. This programme aimed at inspiring a love of maths within children and allows them to learn more about how it's used within the professional realm. Multiplex's community engagement includes:

- Fundraising for the charity Chickenshed
- Supporting apprentices
- Engaging school students
- Using local businesses
- A graduate development programme

### ENVIRONMENT AND SUSTAINABILITY

Minimizing our impacts is essential to Multiplex. We track our waste, energy, CO<sub>2</sub>, water usage and constantly explore ways to reduce it. Some key statistics:

- 98.3% non-hazardous waste diverted from landfill to date.
- 100% certified timber used on site (permanent and temporary).
- Carbon Footprint (to date) is 253 Tonne's CO<sub>2</sub>e

### CONSIDERATE CONSTRUCTORS

We are signed up to the nationwide Considerate Constructors Scheme (ID no. 98128). On our recent visit we scored 44/50. For more information, please contact us.

### CONSTRUCTION PROGRESS UPDATE

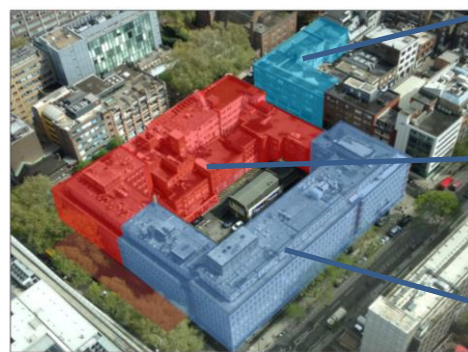

Most demolition is now complete.

Piling works and pouring of slabs are underway

### Upcoming works for July

Strengthening of remaining building

Piling / Slab pouring

Demolition
